UNDER 18 years old MUST BE ACCOMPANIED BY AN ADULT

Max load capacity 110 kg

This product is a Personal Watercraft

and in France is under the "engins de plaisir (Division 240 - article 240-1.02)" category.

AFTER being used
Don't leave it in the water.

If you leave it in the water, algae and crustaceans can be hooked, electrolysis may appear, and birds' droppings and leaves can dirty the parts. Longer sun exposure can damage the units.

RECOMMENDATION

Please use a small STOOL (not included).

Keep it upright position **ON THE SHORE** or **IN THE GARAGE**.

Keep it upright position **ON THE SHORE** or **IN THE GARAGE**.

WARNING!

Training is required before the use of this product.

You must understand and accept the risks involved before participating in this activity.

Always wear an approved Personal Flotation Device

NEVER use the Red Shark to go further than you can swim, on your own power.

Do not reach into openings, rudder borders, or rotating parts.

Like any other device, there is a chance of product failure, always ensure that such failure will not put you in danger

Never use under the influence of drugs narcotic substances or alcohol

Use only in calm and sheltered waters.

Children and minors under 18 years old, must be used only under adult supervision.

NEVER use the Red Shark near fishing threads, branches, seaweed, plastics, loose clothing, or OTHER objects from getting into the propeller.

Always rinse or run in clean fresh water after use.

Do not use harsh chemicals to clean any Red Shark products.

When cleaning the propeller area, make sure someone is not touching the unit.

Do not keep Red Shark products under direct sunlight or in a parked vehicle for an extended period, and always store from 10°C to below 22°C.

It is forbidden to use this product for people who can not swim.

Never wear clothing that may become entangled with any protruding element of this product, if it overturns and stays stuck under the water, you can drown. During the use, no one should touch, the propeller and the rudder (which can cause injuries).

Do Not use in areas occupied by swimmers or divers.

NEVER use the Red Shark if you may feel dizzy or lose consciousness.

Avoid large tides or boat trails hitting this product since this could tip your water bike.

If you have no experience or are not skilled in swimming, never go alone and go to water areas that are not deeper than your neck.

Do not use in strong currents, heavy swell or impaired visibility, waves, or offshore wind.

Check all the screws regularly before departing.

Read the user manual in full.

CAUTIONS:

Before leaving, always check that the weather forecast is appropriate for this activity.

FIRST-TIME NOTES:

Do it on calm water with no wind and with a soft and comfortable speed. The first moments are the most stressful ones, so you should go smooth and constantly in a straight line. As soon as you feel stable, please turn (left or right) very smoothly but without lowering the speed (constant movement needed to turn).

With the Bike surf model, you may have a feeling of having a very smooth roll, this is normal, but it is misleading, you will feel, after 30 minutes of pedaling fairly at a medium rate, the strength on your legs.

Using Red Shark Bikes products on the water can be dangerous and involves certain risks which often cannot be predicted or avoided. Those risks include but are not limited to, personal injury or death, property damage, which may result from, loss of control, collisions with other users or watercraft, swimmers, and natural and man-made objects and/or animals/plants. By choosing to use a Red Shark Bikes product, you assume these risks and thereby need to know and practice water safety rules, responsible motoring, and proper use and maintenance of your Red Shark Bikes product(s) to reduce these risks. Since it is impossible to anticipate every situation or condition which can occur while some elements are underwater, Red Shark Bikes can make no representation or warranty about the use and safety of Red Shark Bikes products under all conditions.

REGISTERING YOUR Personal Watercraft as a vessel:

Please the rules and in certain municipalities, states or countries, it is required that you register your water bikes, kayaks, SUPs, canoes, scooters surf motorized, with your local licensing body. Please be sure to take the necessary steps to comply with local laws and regulations that apply to your water bike.
